OF INTRALATA CALLS BY INTEREXCHANGE	)	PHASE I
CARRIERS, AND WATS JURISDICTIONALITY)		

O R D E R

On April 3, 1990, MCI Telecommunications Corporation ("MCI") filed a motion to schedule an informal conference to discuss the procedural schedule of the implementation portion of Phase I of this proceeding. On April 9, 1990, Allnet Communications Services, Inc. filed comments in support of MCI's motion for an informal conference.

The Commission, having considered the motion and being otherwise sufficiently advised, hereby finds that:

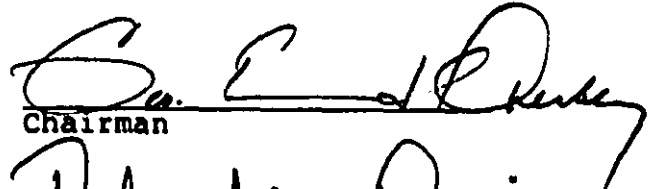

1. An informal conference at this time would be premature as the Commission contemplates issuing a procedural schedule for the implementation portion of Phase I of this proceeding in the near future.

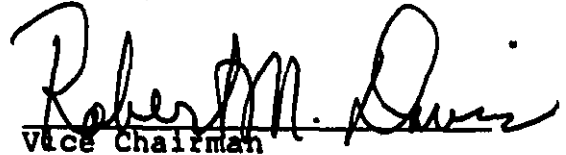

2. The Commission should take this opportunity to clarify any possible misunderstanding concerning the style of this proceeding. The March 29, 1990 Order of the Commission was an Interim Order in Phase I and the implementation portion is likewise in Phase I of this proceeding.

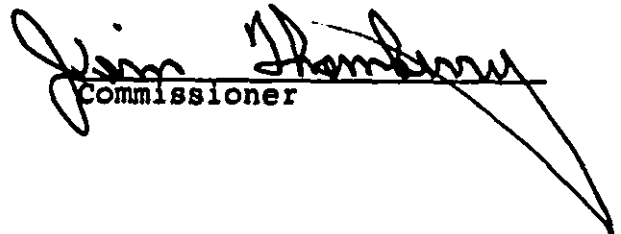

IT IS HEREBY ORDERED that MCI's motion to schedule an informal conference is denied.

Done at Frankfort, Kentucky, this 4th day of May, 1990.
